A MESSAGE FROM THE BOARD OF DIRECTORS

Dear Donors, Partners, and Stakeholders,

On behalf of the Board of Directors, I am pleased to welcome you to Light for All Canada's 2023 Annual Report. This year has been a testament to what can be achieved when compassion, commitment, and community come together with a shared purpose.

Guided by our mission, we continued to expand access to healthcare, advance education and empowerment, support women in building sustainable livelihoods, provide awareness sessions on parenting, health, financial literacy, and marriage supporting family well-being, and bring hope to vulnerable communities through our hunger relief and development initiatives. None of this would have been possible without the unwavering support of our partners, donors, volunteers, and friends.

In 2023, we covered **SIX** countries across Africa and Asia. From Egypt to Burundi, Indonesia, Ghana, Mauritius, and the Philippines, our programs reached more than **20,086 direct beneficiaries** and **97,088 indirect beneficiaries**.

We are deeply grateful to our partners, stakeholders, and donors for your belief in our mission and the work we do. Your financial and in-kind contributions have enabled us to grow, expand, and surpass our short- and long-term goals for 2023.

Thank you for your trust in what we do.

With Gratitude,

The Light for All Canada Board of Directors

»OUR STORY

Established in Canada in 2013, our mission is to transform the lives of disadvantaged individuals living in isolated and underserved communities worldwide – particularly in Africa and Southeast Asia – through sustainable, and long-term solutions.

»OUR MISSION

To reach underserved individuals worldwide with sustainable solutions that foster their intellectual, practical, and economic well-being, empowering them to become productive contributors to their local communities.

»OUR VISION

Every individual is a potential volunteer, and every volunteer is a change agent.

» OUR PROGRAM HIGHLIGHTS IN 2023

Direct Beneficiaries

Indirect Beneficiaries

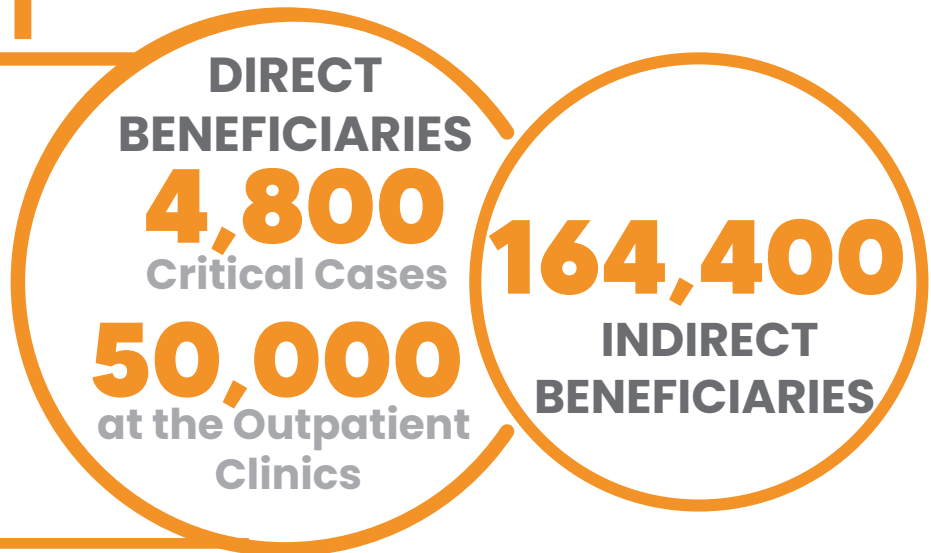

People Impacted in 2023

Programs

EGYPT

📍 **Akhmim, Sohag**

ESTABLISHMENT AND OPERATION OF A HOSPITAL IMPACT

- Contributed to enhancing the accessibility and quality of health care services across underserved communities in Upper Egypt.
- Strengthened healthcare service delivery in Akhmim, Sohag, improving access to essential medical care for vulnerable populations.

📍 **Esna, Luxor**

EXPANSION OF THE HEMODIALYSIS UNIT AND POLY CLINICS

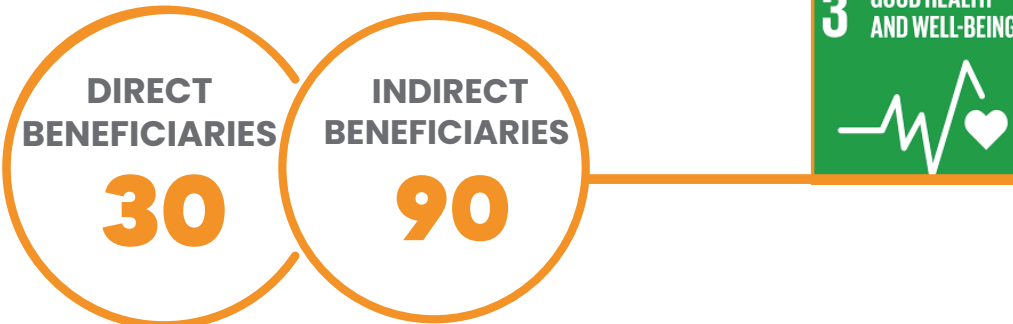

IMPACT

- Improved the health and well-being of residents in Esna, Luxor, with a particular focus on patients living with chronic kidney disease.
- Expanded the hemodialysis unit by adding two additional dialysis machines, increasing capacity to serve more patients in need.
- Established polyclinics to provide comprehensive medical check-ups and consultations, enhancing access to essential healthcare services.

📍 **Bani Mazar, Minya**

ESTABLISHING A RENAL DIALYSIS CENTER

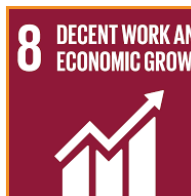

IMPACT

- Established a renal dialysis unit to deliver essential treatment, enhance quality of care, and promote awareness on prevention, contributing to reducing the burden of kidney disease.
- Improved the quality of life for patients and their families through expanded access to critical healthcare services.

📍 **Cairo and Upper Egypt**

LIFE TOGETHER PROJECT

IMPACT

- Expanded access to comprehensive inclusive care for Persons with Disabilities (PwD) through integrated educational, therapeutic, and rehabilitation services

- Enhanced physical, cognitive, and communication abilities of beneficiaries, supporting greater independence and functional development.
- Strengthened family capacity by equipping caregivers with practical skills to better support and manage the needs of PwD.
- Improved social inclusion and confidence through participation in creative, cultural, and community-based activities such as music and theater.
- Promoted economic empowerment through vocational training, enabling beneficiaries to develop practical livelihood skills.
- Improved health and well-being through access to healthcare services, physiotherapy, and proper nutrition.
- Reduced barriers to care by providing transportation and ensuring consistent access to essential services

IMPACT

- Provided essential medical care to address critical health needs within the targeted community.
- Delivered specialized medical consultations to **35 students**, supporting early diagnosis and appropriate care.
- Distributed medical devices and free medications, contributing to improved health and overall well-being within the community.

📍 **Accra Center, Accra Board Centers, and Volta Center**

≡ EDUCATION AND FOOD PROGRAM

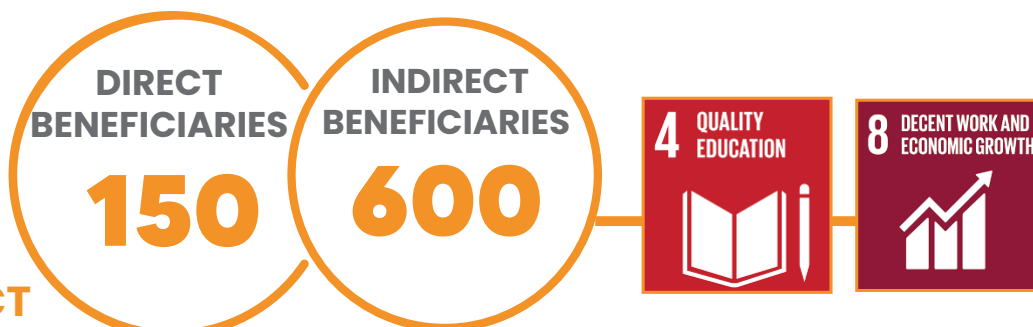

IMPACT

- Provided food assistance to **200 families**, helping to address immediate nutritional needs and support household stability.
- Conducted monthly health check-ups in conjunction with food distribution, promoting early detection, preventive care, and
- overall well-being within the community.

📍 **Accra Boards Center**

≡ ICT TRAINING CENTER

IMPACT

- Successfully graduated 100 students and enrolled 50 new participants in ICT training, expanding access to digital education and skill development.
- Strengthened digital literacy through comprehensive training in computer basics, software installation, and effective internet use, equipping participants with essential modern workforce skills.
- overall well-being within the community.

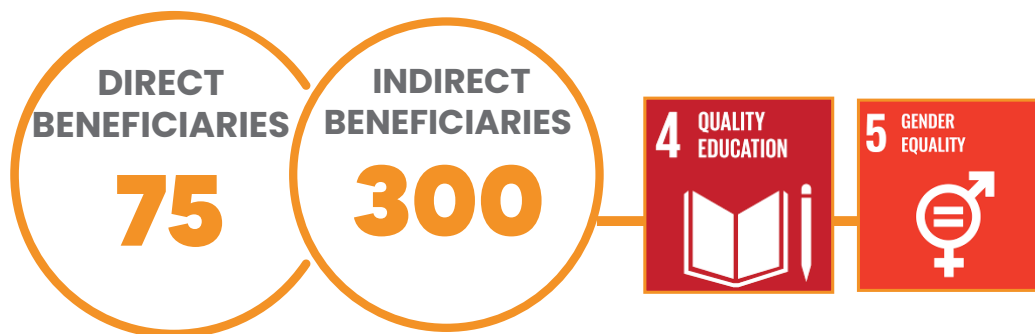

- Reduced the financial burden of ICT education on families in targeted communities while expanding access to digital learning opportunities for beneficiaries.
- Fostered community empowerment by opening pathways to digital inclusion, knowledge, and future employment opportunities.
- Organized several school workshops and seminars.
Collaborated with other local schools to deliver their ICT classes at our ICT training center.

📍 **Accra and Volta**

VOLTA SCHOOL

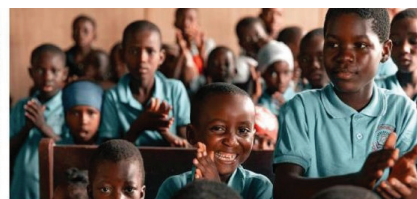

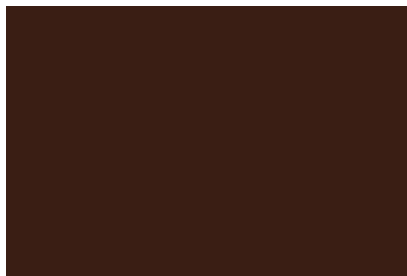

IMPACT

- Upgraded school infrastructure by renovating classrooms, improving sanitation facilities, providing adequate seating, and developing a safe playground, creating a more supportive and conducive learning environment.
- Strengthened teaching quality through specialized teacher training, enhancing instructional methods and the ability to address diverse student learning needs.
- Improved access to quality education by ensuring the availability of essential learning materials and textbooks.

- Demonstrated measurable improvement in students' academic performance through continuous assessment and targeted support.
- Promoted holistic child development through regular extracurricular programs, including sports, arts, and vocational activities.
- Advanced inclusive education by providing free meals, uniforms, and school supplies, enabling full participation of vulnerable children.
- Promoted girls' education and reduced gender disparities in school attendance and completion.
- Strengthened parental engagement through workshops and awareness sessions, reinforcing the importance of education within families.
- Established community partnerships to improve water and sanitation facilities, contributing to a healthier and safer school environment
